

CITY OF RATON WINS DECISION IN WATER CASE

Advocates of Municipal Ownership Gain Signal Victory Before Judge Pope; Several Hundred Witnesses Heard.

(SPECIAL DISPATCH TO MORNING JOURNAL)
Santa Fe, Feb. 9.—The important Raton water case, which has been bitterly fought in the federal court for the last few months, and in which hundreds of witnesses were heard,

IT'S YOUR LIVER! YOU'RE BILIOUS, HEADACHY, SICK!

Don't Stay Constipated With
Breath Bad, Stomach-Sour
or a Cold.

Enjoy Life! Live Your Liver
and Bowels Tonight
and Feel Fine.

To-night sure! Remove the liver and bowel poison which is keeping you head dizzy, your tongue coated, breath offensive and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cascarets from the drug store now? Eat one or two to-night and enjoy the sweet, gentlest liver and bowel cleansing you ever experienced. You will wake up feeling fit and fine. Cascarets never gripe or bother you all the next day like colored, salts and pills. They act gently but thoroughly. Mothers should give cross, sick, bilious or feverish children a whole Cascaret any time. They are harmless and children love them.

was decided this evening by Judge W. H. Pope in favor of the city of Raton and the municipal waterworks as against the plaintiff, the Raton Waterworks company.

The court holds that the plaintiff company failed in its duty in important respects, and thus lost its right to object to the erection of a competitive plant by the defendant city. The primary relief asked by the bill, can therefore not be granted. The relief prayed in the supplemental bill must also be denied, except that a reasonable time, which the court fixes at six months, is allowed the plaintiff to remove its property from any ground of the city of which the company has possession by virtue of its franchise.

Costs Are Divided.
The relief asked under the heading "ce" is denied. From the proofs the court holds it is apparent that the city's filtration plant as operated does not pollute the water flowing in the plaintiff's system, nor is the house of which complaint is made, as yet in use, nor does it appear that when put in use it will be injurious to the plaintiff.

The court permitted an amendment to the bill, so that plaintiff might pray a judgment for rents due from the city for hydrants. The proofs show that whatever the quality of the water the contract was not breached by the quality of water furnished for hydrants. The counter claim of the city is held to be without merit and is disallowed. The joint occupancy by the city with the plaintiff company of the Lake Malaga site is by virtue of an order made in a condemnation suit pending in the state court, and which is proceeding to final determination, and it is therefore assumed that the plaintiffs will be fairly protected.

Three-fourths of the costs are put upon the plaintiff and the other fourth upon the defendant.

NEWS NOTES from BY DAISY DEAN MOVIELAND

Edison has captured for the star of the Kleine-Edison five-part feature, "At the Rainbow's End," released February 23, Carol McComas, for her first appearance in motion pictures. Miss McComas has long been sought, both by Edison and other leading companies, but her busy life in successes on the stage always prevented. Her vivacious personality, beautiful brown eyes and a certain captivating manner make her an ideal subject for the camera, and should the lens catch but one-half of her charming sprightliness, her success will be pronounced. Besides her natural vivacity, her next most marked characteristic is her remarkable versatility, which has enabled her to succeed equally well in dramatic roles as she did in musical comedy and in vaudeville as a whistler and singer.

GAUMONT PREPARING NEW MASTERPIECE.

The new Mutual Masterpicture, "I Accuse," is well under way at the Gaumont winter quarters at Jacksonville, Fla., under the direction of William F. Haddock. It was written by Miss Marjorie Howe and the picture version prepared by Gaumont's scenario editor, George D. Prector. Alexander Gaden, seconded by Miss Gertrude Robinson, has the leading role. It will be released February 24.

Supporting the Gaumont stars in "I Accuse" are W. J. Butler, Henry W. Pemberton and John Reinhard. Butler takes the part of a minister with an unruly temper, and Mr. Gaden appears as the judge who must sentence him to prison despite the fact that it is to the minister's daughter he has given his heart.

Bessie Larn, after a long association with the Edison company as a star, has left that organization to join the Mirror films. She will be seen only in five-reel features hereafter, the first of which are scheduled to appear within a few days.

Lillian Drew, one of Essanay's leading women, is a strict vegetarian. Miss Drew decided to try out the vegetarian theory several years ago,

Edward Jose, who is producing Kipling's "Light That Failed" for Pathé, expects shortly to take a large company south to finish the Sahara desert scenes required to finish the scenario. Mr. Jose filmed some of them on an island off Bridgeport, Conn., but the balance must be taken in more tropical surroundings.

ATTENDANCE ON HIGH SCHOOLS OF STATE SHOWS BIG INCREASE

(SPECIAL CORRESPONDENCE TO MORNING JOURNAL)
Santa Fe, Feb. 9.—Very illuminating are the figures on school attendance and enrollment furnished by Chief Clerk Rupert F. Ashland of the state department. Especially gratifying is the increase in one year in the high school attendance, being 20 per cent greater than in the year before.

It was 2,212 in 1914 and 2,655 in 1915, of whom 1,253 were in the ninth, 672 in the tenth, 418 in the eleventh, and 308 in the twelfth grades. The increase in the grammar grades was equally noticeable, being from 2,878 to 2,952 in the seventh and 2,279 to 2,562 in the eighth. This is in part due to the county high schools. The following are the figures in the other grades: Sixth, 2,730 to 4,182; fifth, 4,732 to 5,063; fourth, 6,932 to 6,674; third, 19,691 to 11,207; second, 19,691 to 11,207; first and primary, 24,258 to 27,059.

The school census shows 53,165 males and 51,145 females, a total of 104,310 persons between the ages of 5 and 21 in the state. Of these 66.2-3 per cent, or exactly two-thirds, are enrolled in the public schools, as against 65.3 per cent the year before. The number enrolled being 37,073 boys and 35,714 girls. Attendance was 64.4-2 per cent of enrollment, 21,258 boys and 24,061 girls, as against 74.2 per cent the year before, the falling off in the average daily attendance being due in part to the lengthening of the minimum school term.
